- PLEASE OBSERVE:**
1. The success of snowmobiling as a sport depends on the willingness of landowners to let snowmobile drivers trespass on their private property. Please respect their property.
 2. Do not wander off trails. You have permission to ride marked trails only.
 3. Please do not cause any disturbances or damage to any property.
 4. Do not damage any trees, shrubs, etc.
 5. Do not disturb any wildlife or livestock.
 6. Do not litter.
 7. Obey all state and local ordinances. Do not operate snowmobiles on side and county highways.
 8. Be careful when crossing roadways and cross only at 90 degrees.
 9. Beware of changing trail conditions beyond our control.
 10. Ride locks, rivers and streams at your own risk!
- The trails on this map are part of the Grant-in-Aid Trail system and are funded by the Department of Natural Resources.
- The future of snowmobiling depends on the impressions created by snowmobilers today. Obey the laws and basic rules of courtesy and stay on the marked trails.
